If you are using a projector, please **turn off the projector** before beginning the session.

- The **LCD panel** in each student's clicker tells the student which question they are answering as well as their response and if it was received.
- Students can use the **left and right arrow keys** on their clicker to move forward and/or backward. They can also skip and return to a question.
- As students respond to questions, the boxes corresponding with the student name and question number display their answers.
- *Options:* Click the Options button to choose color feedback with red indicating an incorrect answer and green a correct answer.

7. Click **Start** to begin the response cycle.

8. Click **End** to end the response cycle.

9. Click **Yes** to save the data and end the session.
